

NEWS FLASH

A GREAT
PLACE TO
VOLUNTEER

Goodbye YPP...for now!

We had a lovely time celebrating with our latest Young Person's Programme cohort as they ended their 15 weeks with us. David Wherrett, Director of Workforce, was there to help hand out certificate. We are delighted that approximately a third of the group will stay with us, including many mentoring the new intake in September.

Thank you all for your hard work!

Welcome Merlin!

We are very pleased to introduce our latest therapy dog, Merlin, pictured above with his owner Sandra. Merlin was very popular with both patients and staff, (especially us!). Look out for them around the hospital and say hello.
