Wool

We have had many kind donations of wool for items such as twiddlemuffs and hats and boots for premature babies. If you're a keen knitter and would like some wool for these, or another community project, please come and collect some before Easter.

Survey Volunteers Needed

We are looking for some more survey volunteers for the wards. If you are interested please let us know via volunteer@addenbrookes.nhs.uk

Cakes

Outpatients are holding another cake sale on Wednesday 12th April 10-12pm. If anyone is free to help out, please email the volunteer email address.
