A GREAT
PLACE TO
VOLUNTEER

Volunteers' Week – Celebrating & Thanking You!

What a great Volunteers' Week and a huge thank you to all CUH volunteers, it wouldn't be possible without you! We have had a lovely Volunteers Week and thank you to those who came and helped at our Volunteer Partners Event on 7 July and on our stand in the concourse on 8 July. The Cambridge Independent came to speak to some of our volunteers and you can see the article on our notice board in the office.

Thank You

We had a lovely message from the daughter of a patient thanking everyone who helped with her father's care.

My father, B died in April following a long illness for which he was treated at Addenbrooke's. The care was outstanding and every member of staff showed great respect to us all, from the doctors and nurses through to the volunteers bringing the much needed cups of tea and coffee!

Volunteer Forum

The next forum will be on Tuesday 13th June, in N3 seminar room from 10:00 – 12:00. Ingrid Baldwin will be coming to talk about the Carers Trust, which is a great asset to CUH. We are alternating the time of the forum so all volunteers can attend at some point as we know that the later times do not always suit everyone. If you are unable to attend a forum please feel free to send us your feedback either by email or come in to talk to us.

Dates for the Diary – Coming up.....

Dementia Training

Thursday 22 June 10:00 – 12:00 N3 seminar room
