

NEWS FLASH

A GREAT
PLACE TO
VOLUNTEER

14 July 2017

Hills Road Roundabout Work

There are planned works on the Fendon Road/Hills Road round about. The plan is to have more traffic lights in place by the end of 2017 to help improve traffic flow. We will keep you updated on this.

Infection Control Survey

Do you remember the problems the NHS faced with hospital-acquired infections ten years ago? This prompted a package of interventions, including bare below the elbow and a cultural change in hand hygiene, which led to a dramatic reduction in the number of hospital-acquired infections, but the past 12 months has seen a blip in our infection control performance. Our Infection Control team has asked for volunteers help with a survey at NICU to monitor how many people are washing their hands. If you are able to help please contact us by 20th July: volunteer@addenbrookes.nhs.uk.

Check-in Champions

We are looking for volunteers who are happy to help patients check in at the kiosks. If you can help please email: volunteer@addenbrookes.nhs.uk.

Clinic 9 Is Moving

Clinic 9 Neuroscience is moving to clinic 43, the old dialysis clinic. They need volunteers from the 2nd - 4th August to be based at clinic 9 to help patients get to clinic 43.

Volunteering Opportunities

Please let us know if you'd more information by emailing volunteer@addenbrookes.nhs.uk
