A GREAT PLACE TO VOLUNTEER

3<sup>rd</sup> November 2017

Cambridge University Hospitals   
NHS Foundation Trust

## Winter Bugs

At this time of year we start to see winter bugs arriving at the hospital. Ward G3 is currently closed and C3, D8 and N3 each have a bay closed. Please be extra conscientious with hand hygiene especially when going onto wards to help reduce the risk of infection. If you are unwell please stay at home and concentrate on getting better rather than come in to volunteer.

Our book sale was a fantastic success, raising a massive £172.00! Thank you so much to Karen, Dorothy, Chris, Angie and Ian for making the book stall such a huge success.

## MILL ROAD WINTER FAIR

Mill Road Winter Fair (Cambridge) is a celebration of the area's community. It is always on the first Saturday in December, this year it will be held on 2<sup>nd</sup> Dec 2017. Preparations are now underway for another great Fair. It's an event created and run by people from the Mill Road area with almost everyone joining in and contributing something; community groups, faith centres, businesses, entertainers, residents, visitors ... everyone has something individual to contribute. It is a great opportunity for Cambridge University Hospital Volunteer service to reach out to the local community and let them know what we do here and how they can join us.

We will be running a stall in the marquee on Ditchburn place from 10.30 – 16.30 and would be most grateful for any volunteer support on the day. Many thanks. If you think you will be able to help us please get in touch with us at [volunteer@addenbrookes.nhs.uk](mailto:volunteer@addenbrookes.nhs.uk).

## Annual Reviews

By now you should have received an email inviting you to an annual review/Christmas get-together. If you haven't already done so please could you let us know your availability? Many thanks
