Radio Addenbrooke's Song Requests

Radio Addenbrooke's is a fantastic free radio service that patients staying on the wards can listen to. There are request slips in the office so if you are a ward volunteer please take some up as it could really cheer our patients up being able to listen to their favourite song.

Partner Organisation Fair

It's Volunteer Week during the week beginning 4th June and one of our events will be a Partner Organisation Fair on Thursday 7th June. If you are free to help guiding the Partner Organisations to their stalls and/or man our stall to talk about volunteering at CUH, we would love to have you join us.

Smoking Patrol Officer

We have been informed that there is to be a "Smoking Patrol Officer" on duty around CUH campus from 7am-7pm Monday – Friday, the period which studies have shown is the peak time for smoking. The Officers will record and track the individual's details, and this will be explained to the smoker. They will also be a body cam so a picture will be captured. However the officer is not allowed to man handle the smoke. We will soon be provided with an email address for this service.

Volunteer Satisfaction Survey

We would like to collect your valuable feedback on how well you think we are performing as a Volunteer Service, so that we can improve our offer to both new and current volunteers. Please complete this simple and very short survey. Your replies are anonymous so you can give an honest account. Please use this link to Bristol Online Survey. The survey will close down on 30th June 2018 – so please make your submissions before then. Many thanks for your continued support <https://addenbrookes.onlinesurveys.ac.uk/volunteer-satisfaction-survey-spring-2018>
